Svenska handelshögskolan
November, 2021

The survey

Recipients:

A total of 2376 students across all degrees

Questions:

5 statements answered on a Likert scale
(1 = I totally disagree - 5 = I totally agree)

1 question about wanting to talk to the study coach
(Yes/No)

Option to give an open comment.

Survey sent in either English or Swedish, depending on
the student's service language.

50,4% of recipients answered, a total of 1196 answers
(+8,0% improvement to the Spring survey)

Dear student!

We hope that you could answer
this short survey about your
studies and your well-being.
Thank you for your reply!

Hanken

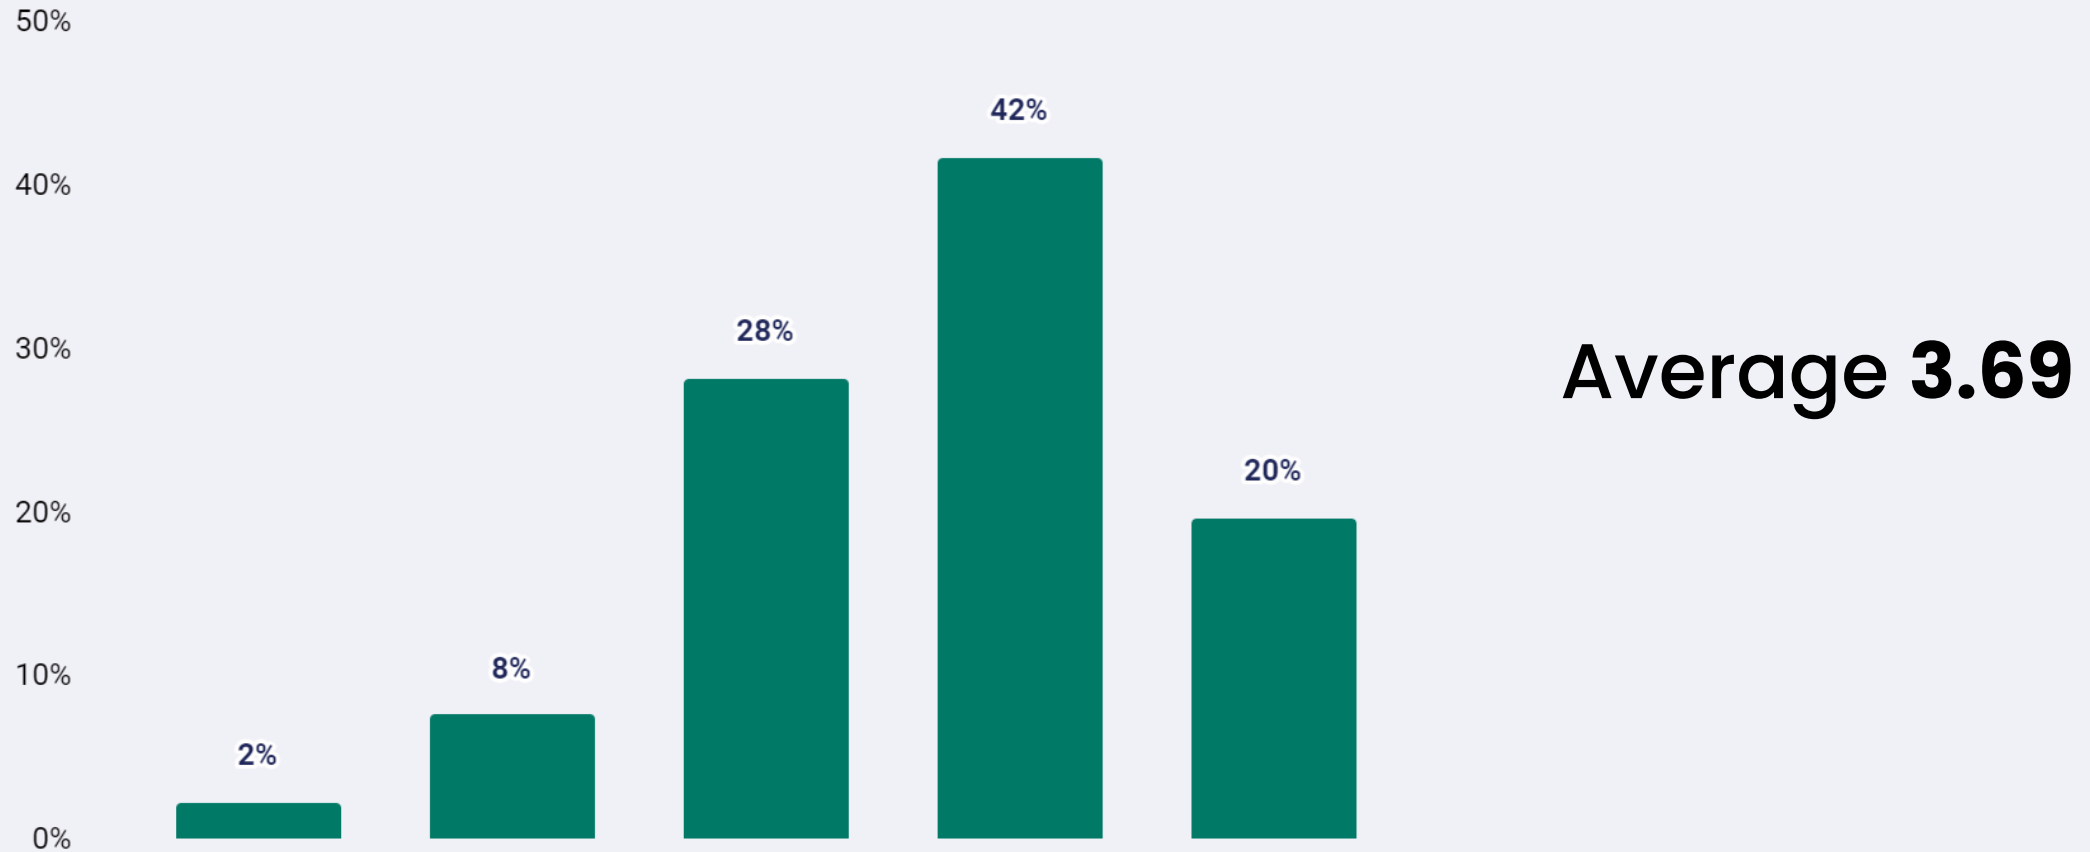

The first statement:
I have been satisfied with
Hanken's teaching this autumn.

Please answer with a number
between 1 and 5.
1 = I totally disagree
5 = I totally agree

*The first message received by
English-speaking students*

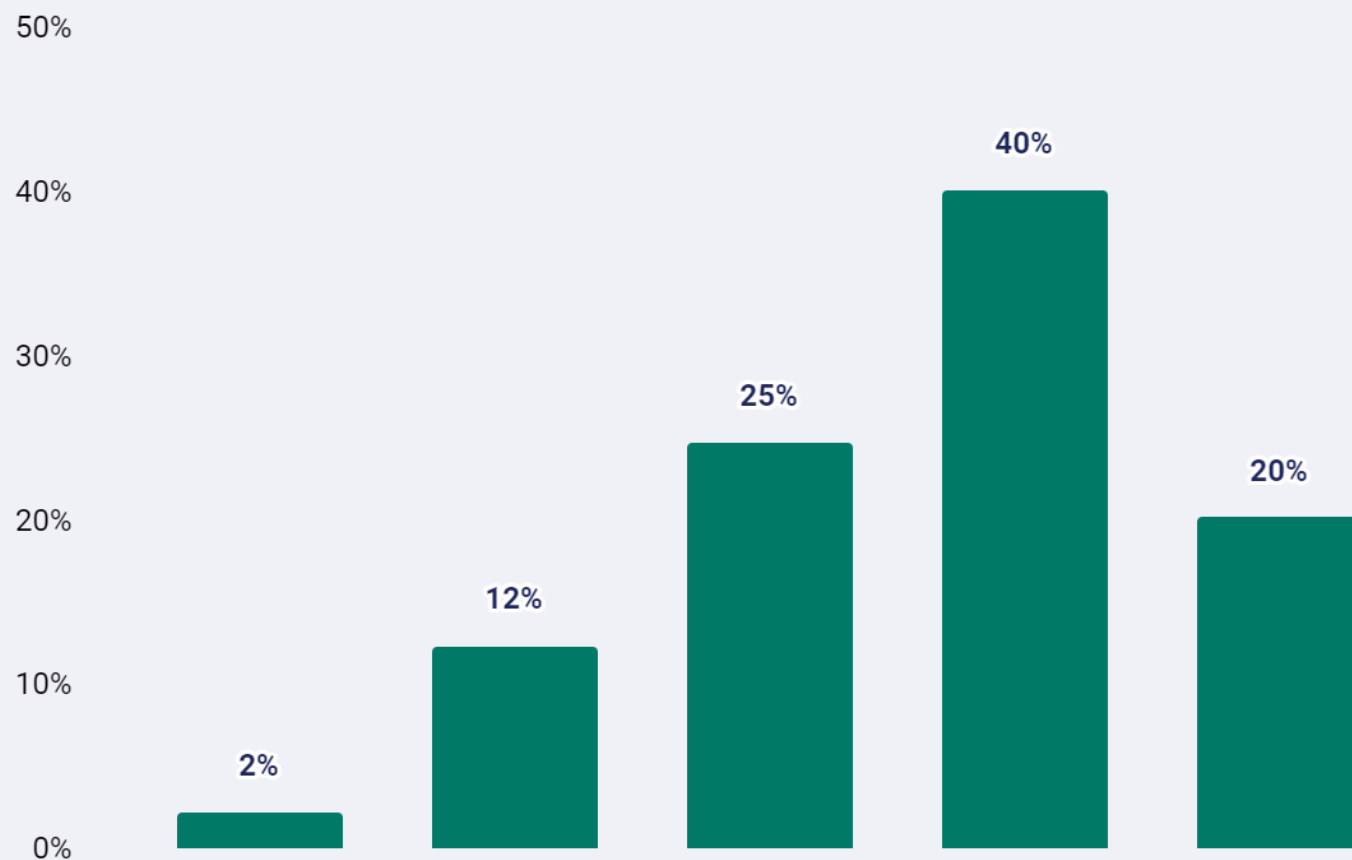

1. I have been satisfied with Hanken's teaching this autumn.

1 = I totally disagree - 5 = I totally agree

2. I have found the help and/or the information I need for my studies.

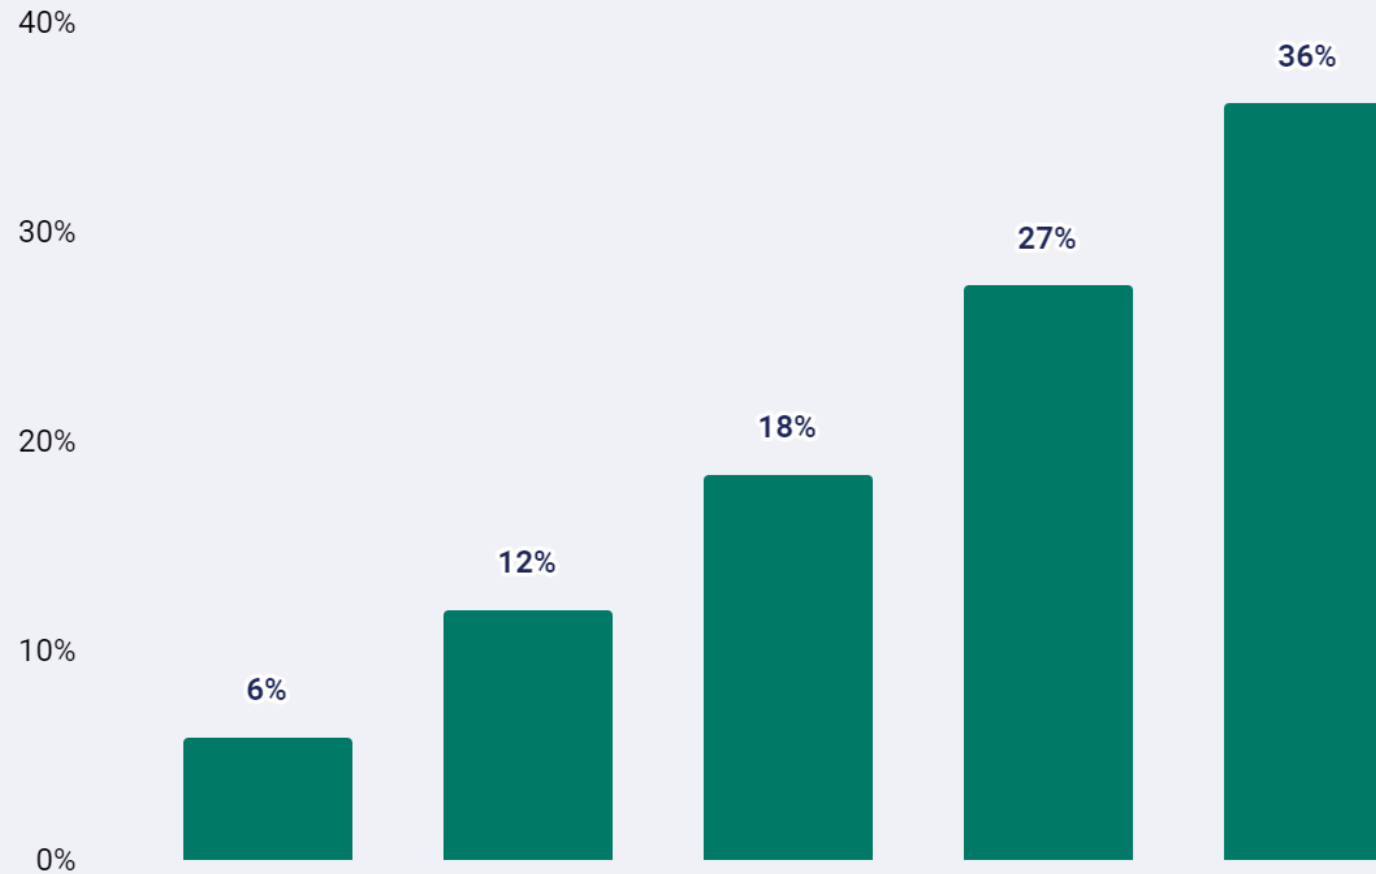

Average 3.64
-0.07 from Spring

1 = I totally disagree - 5 = I totally agree

3. I have been able to complete my studies as planned.

Average 3.76
-0.05 from Spring

1 = I totally disagree - 5 = I totally agree

4. I look forward to more in-class teaching at Hanken.

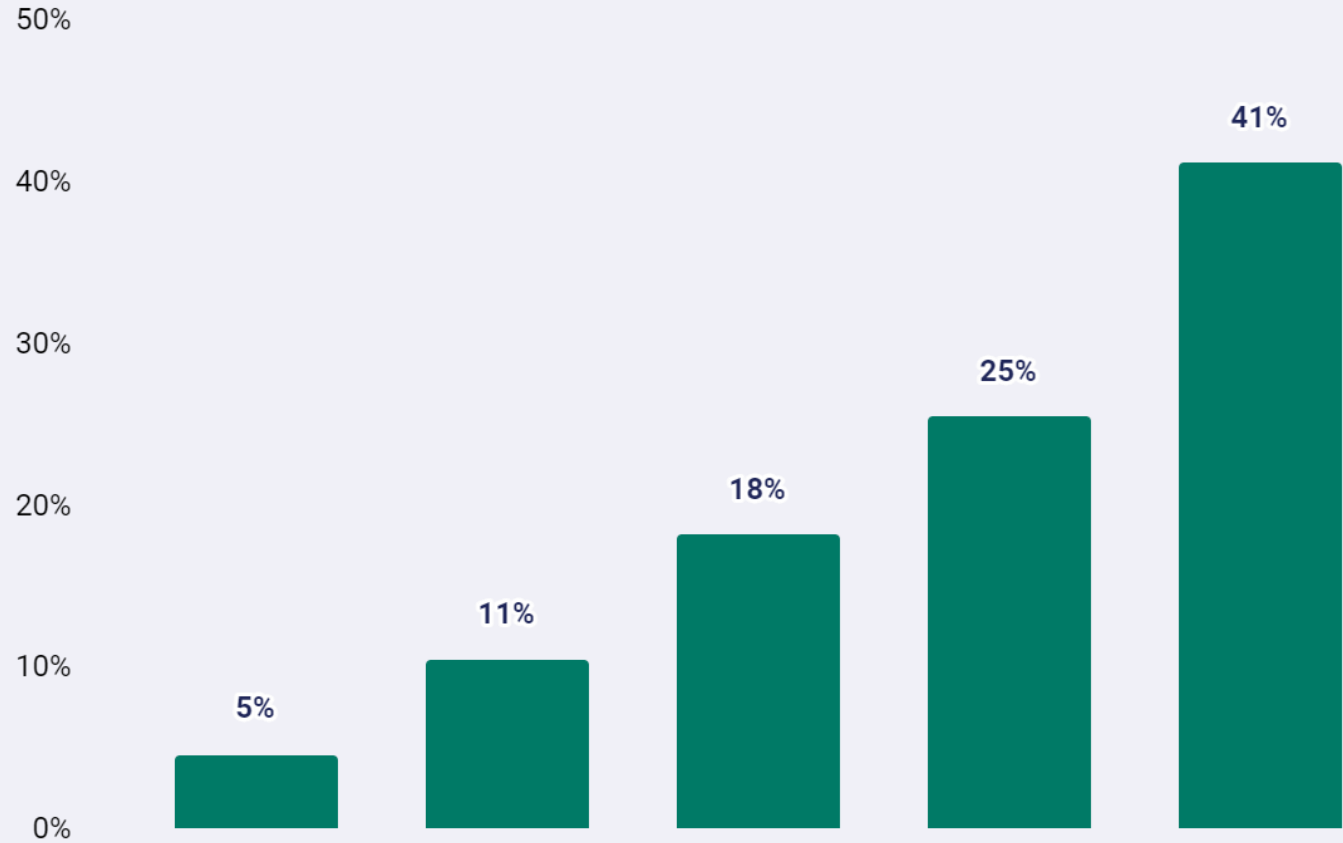

Average 3.24

1 = I totally disagree - 5 = I totally agree

5. I have enough social interaction and do not feel lonely.

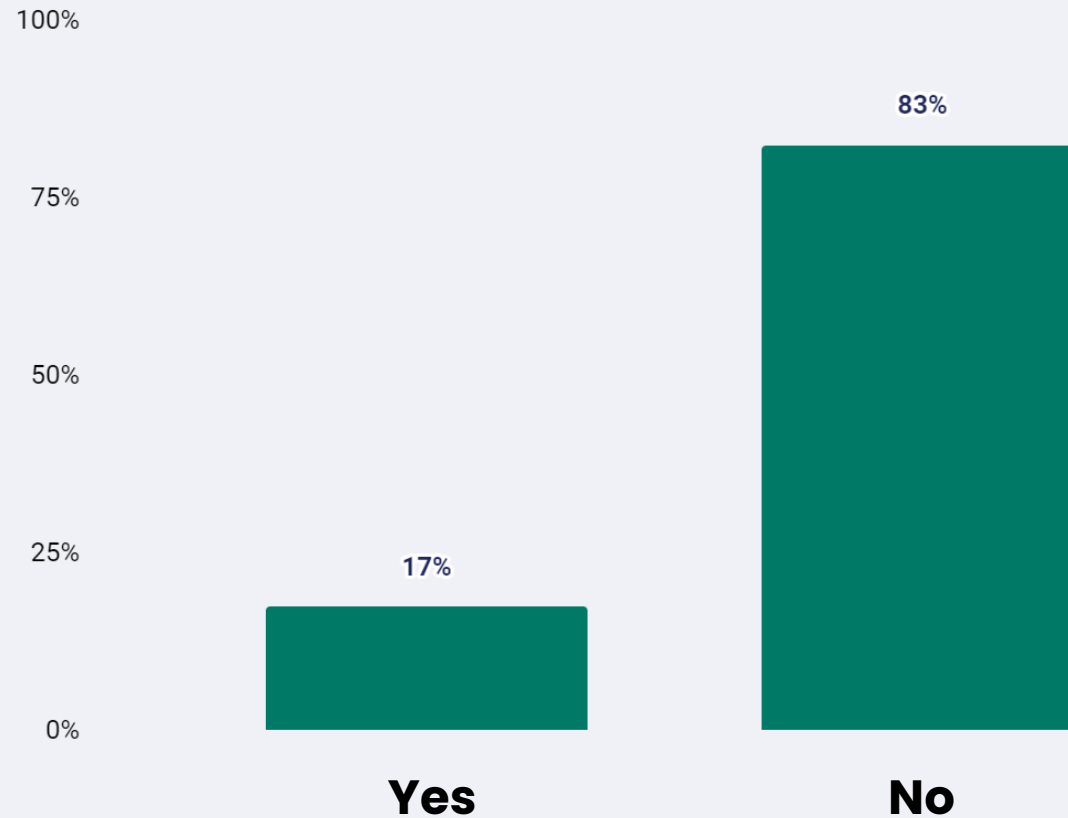

Average 3.88
+0.50 from Spring

1 = I totally disagree - 5 = I totally agree

6. I would like to discuss my study routines and motivation with Hanken's study coach.

A total of 169 students reported wanting to speak to the study coach (+73 and +5% from Spring)

7. If you have any comments about the studies at Hanken or our services to improve your well-being as a student, you can reply to this message.

A total of 58 students provided open feedback.

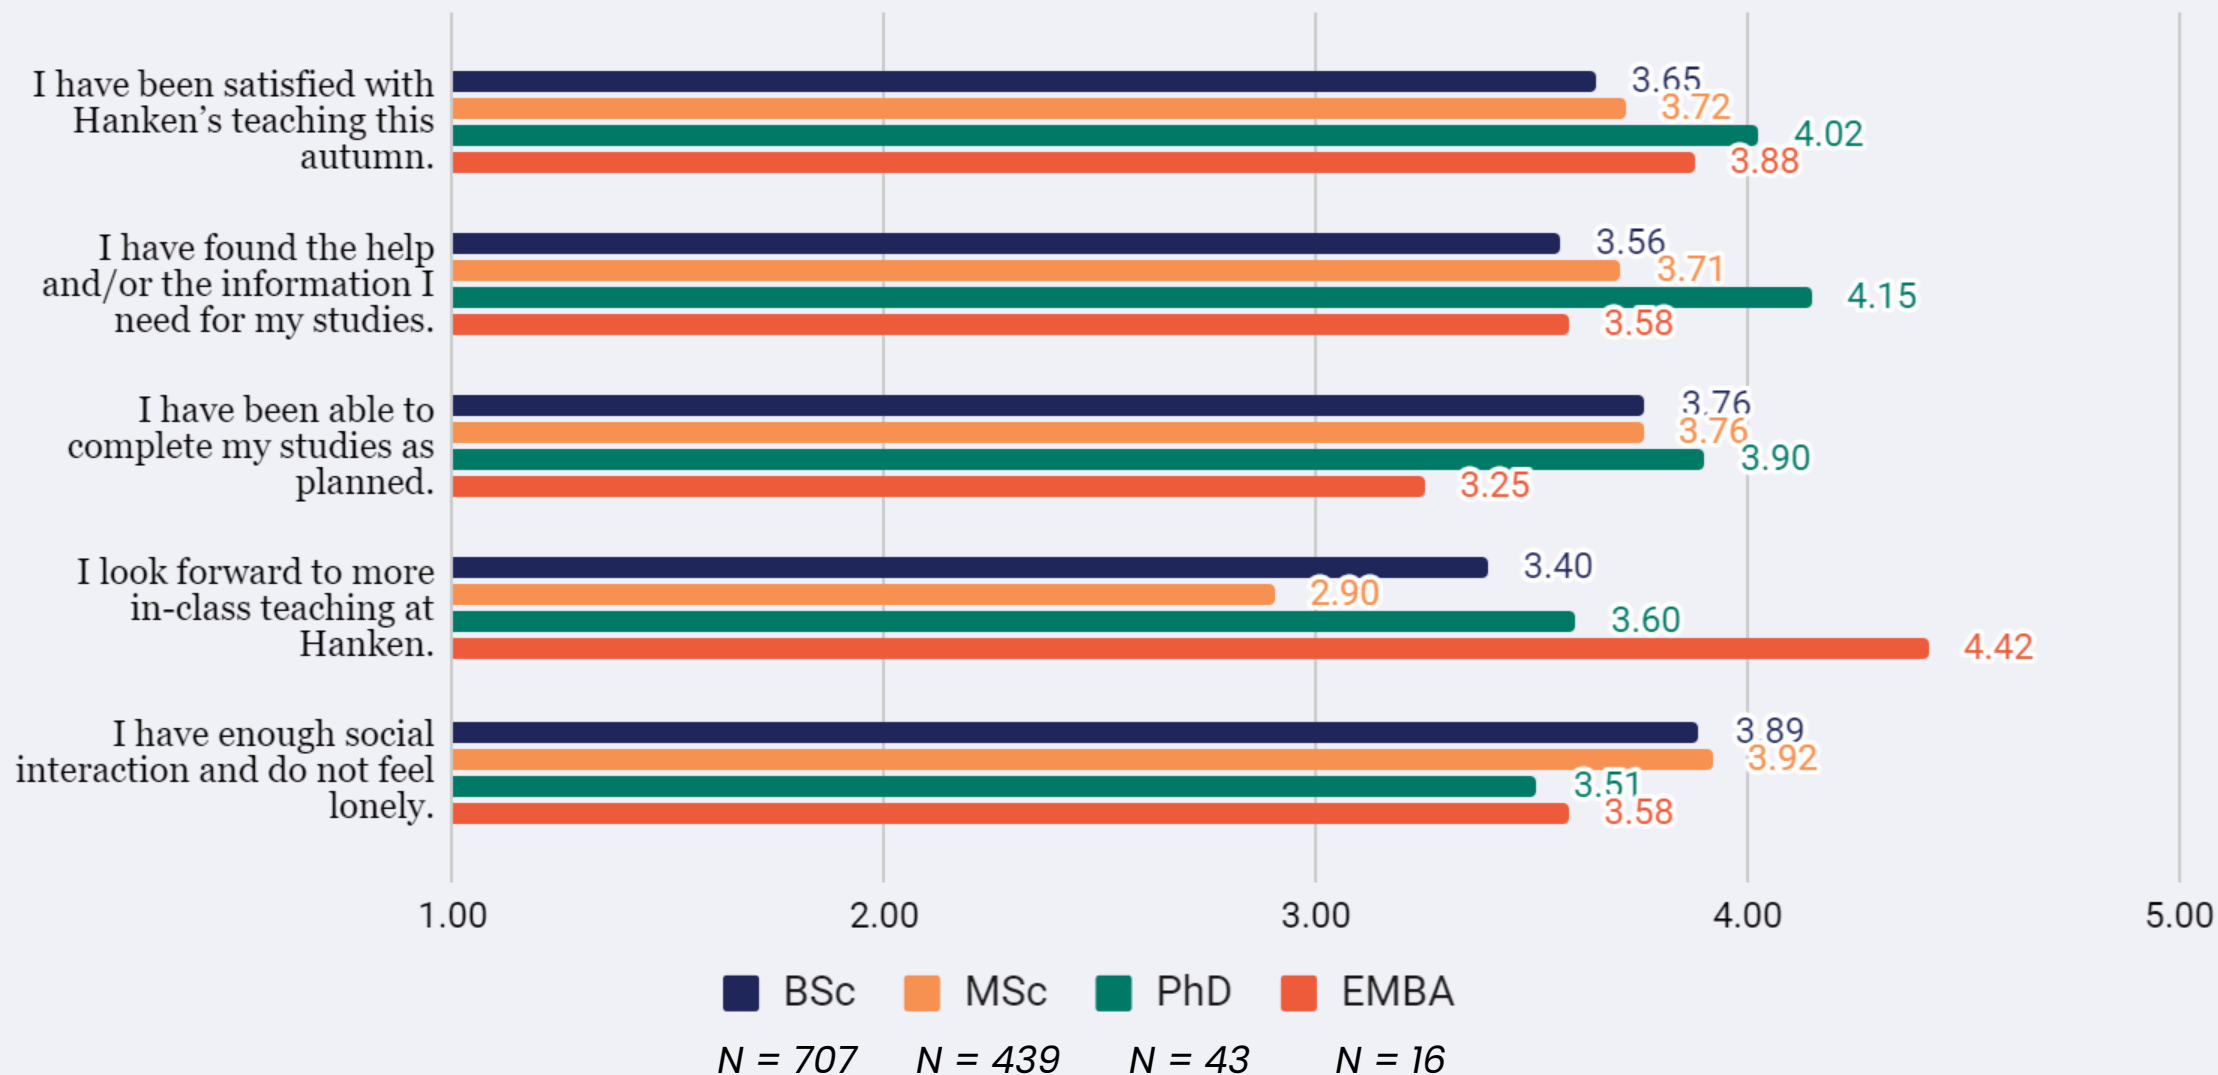

41% of those were in favour of continuing distance learning arrangements.

12% were related to finding relevant services, guidance or information.

The remaining 47% were related to other matters, e.g. course offering suggestions, praise to Hanken, positive feedback about the survey itself.
